Important Information

Enrolment Expectations

- The College recommends early enrolment to ensure students have plenty of time to arrange a student visa.
- New students must attend Induction Day as a compulsory session for your course.
- The College will attempt to keep the original timetable for any given term the same throughout that term. However, in some circumstances, ALG may need to change the timetable and in this case reserves the right to change or modify a student’s original timetable if required. Students will need to accept these changes.
- Students are expected to make study a high priority and must not let their employment interfere with their studies and ALG cannot be held responsible for any employment related matters arising from required timetable changes.

Medical Conditions

- Please disclose any medical conditions to your Trainer and Assessors before commencing studies. You will need clearance from your doctor before you can commence studies.

Attendance & Course Progress

- Students are required to maintain satisfactory course progress by completing all course assessments by the due date and achieving a competent result for all units and subjects. Satisfactory class attendance to a course module is a requirement of demonstrating satisfactory course progress in all classroom modules delivered by the College. If you cannot attend a class, you may be able to attend a Catch Up class during term breaks.

Student Fees

- Fees are due 5 weeks before the commencement of the following term. Late payment fees apply if fees are not paid by the due date. Please contact the College in ADVANCE of the payment date should you require advice.
