## Important Information

### Enrolment Expectations

- The College recommends early enrolment to ensure students have plenty of time to arrange a student visa.
- New students must attend Induction Day as a compulsory session for your course.
- The College will attempt to keep the original timetable for any given term the same throughout that term. However, in some circumstances, ALG may need to change the timetable and in this case reserves the right to change or modify a student's original timetable if required. Students will need to accept these changes.

### Medical Conditions

### Attendance & Course Progress

- Students are expected to make study a high priority and must not let their employment interfere with their studies and ALG cannot be held responsible for any employment related matters arising from required timetable changes.
- Please disclose any medical conditions to your Trainer and Assessors before commencing studies. You will need clearance from your doctor before you can commence studies.
- Students are required to maintain satisfactory course progress by completing all course assessments by the due date and achieving a competent result for all units and subjects. Satisfactory class attendance to a course module is a requirement of demonstrating satisfactory course progress in all classroom modules delivered by the College. If you cannot attend a class, you may be able to attend a Catch Up class during term breaks.

### Student Fees

### Course Requirements

- Fees are due 5 weeks before the commencement of the following term. Late payment fees apply if fees are not paid by the due date. Please contact the College in ADVANCE of the payment date should you require advice.
- All students are required to bring their own laptop or tablet device to participate in all classes. They are not provided for students. This device must have an 8 hour battery life, WiFi-enabled capability and basic software such as Word or Excel.
- All 4Life students except Early Childhood Education and Care (ECEC) and Diploma of Mental Health/Community Services/Counselling will need to provide a clear and current national police check prior to the start of any work placement. Students need to apply at least 6 weeks prior to undertaking a work placement. The costs for a national police check is the responsibility of the student and not included in course fees. Some host employers may require ECEC and Diploma students to provide police check. The College will provide more information on how to obtain police check if you are required to provide one.
- All students except Certificate III in IS (Ageing) and Certificate IV in Ageing Support are required to have a current and valid Working with Children Check (WWCC) before the start of your work placement. The student is required to cover the cost of obtaining the WWCC if any.
- Students should be aware that work in this industry can be physically demanding. Learners need to be reasonably physically fit in order to work with children. Bending, reaching, stretching and kneeling are common movements required by Early Learning Educators. It is recommended that learners have the following immunisations: hepatitis B, diphtheria, tetanus, whooping cough, measles, mumps, rubella and varicella (Chickenpox).
- 4Life College provides students on work placement with 2 polo shirts. Whilst on work placement students are required to provide at their cost, and wear, navy or black slacks/ trousers/skirt and enclosed flat soled shoes (not sports runners).
